

**REMARKS**

Claims 1-22, 30, 32, 33, 36, 37, 40, 42 and 43 are pending in the application.

Claims 1-22, 30, 32, 33, 36, 37, 40, 42 and 43 have been rejected.

Claims 1, 33, 36, 37, 40, 42, 43 have been amended, as set forth herein.

New Claims 44-46 have been added.

I. REJECTION UNDER 35 U.S.C. § 102

Claims 1-22, 30, 32-33, 36-37, 40 and 42-43 were rejected under 35 U.S.C. § 102(e) as being anticipated by Gershman (US 6,356,905). The rejection is respectfully traversed.

A cited prior art reference anticipates the claimed invention under 35 U.S.C. § 102 only if every element of a claimed invention is identically shown in that single reference, arranged as they are in the claims. MPEP § 2131; *In re Bond*, 910 F.2d 831, 832, 15 U.S.P.Q.2d 1566, 1567 (Fed. Cir. 1990). Anticipation is only shown where each and every limitation of the claimed invention is found in a single cited prior art reference. MPEP § 2131; *In re Donohue*, 766 F.2d 531, 534, 226 U.S.P.Q. 619, 621 (Fed. Cir. 1985).

Applicant reiterates its previous arguments and remarks with respect to this rejection. However, in an effort to further prosecution, independent Claims 1, 33, 36, 37, 40, 42 and 43 have been amended to recite that the two wireless devices perform wireless transmissions to one another through a wireless router. Support for these amendments may be found in Applicant's Specification,

page 33, line 4 through page 36, line 2; Figures 1, 4, 5. Gershman does not appear to disclose or describe wireless communications between two devices through a wireless router.

Accordingly, the Applicant respectfully requests the Examiner withdraw the §102(e) rejection of Claims 1-22, 30, 32-33, 36-37, 40 and 42-43.

II. NEW CLAIMS 44-46

New Claims 44-46 depend on amended independent Claim 1, therefore these new claims are allowable over the cited art in view of the remarks set forth above. Further, Gershman does not appear to disclose, teach or suggest these elements/features, as recited.

III. CONCLUSION

As a result of the foregoing, the Applicant asserts that the remaining Claims in the Application are in condition for allowance, and respectfully requests an early allowance of such Claims.

If any issues arise, or if the Examiner has any suggestions for expediting allowance of this Application, the Applicant respectfully invites the Examiner to contact the undersigned at the telephone number indicated below or at *rmccutcheon@munckbutrus.com*.

The Commissioner is hereby authorized to charge any additional fees connected with this communication or credit any overpayment to Munck Butrus Deposit Account No. 50-0208.

Respectfully submitted,

MUNCK BUTRUS, P.C.
